What is 6th Grade FACS?

Intro. to FACS curriculum will introduce students to life-long skills for living on their own. The focus is on Personal Finance, Child Development, Babysitting, and Skills in the Kitchen. We will explore values, decision making and career goals as it relates to well-being. Students will learn to collaborate with their peers and respect the rights and property of others as they learn. Following the "Recipe for Success" will ensure that we reach the expectations for this class and provide a positive learning experience for all students. I am excited to be your teacher and hope that you will enjoy the Intro. to FACS class. We will be using Schoology this year.

Classroom Expectations

1. Follow all rules in your student agenda.
2. Enter quietly, check for handouts, and begin the appetizer assignment
3. Be ready to work with all supplies.
4. **RESPECT EVERYONE AND RESPECT THE ROOM**
5. Clean up at the end of the hour.
6. Turn in assignments on time and to the designated bin
7. Push in your chair at the end of the hour

Critical Values

Respect
Responsible
Be Ready

GRADES IN FACS

Grades will be figured on total points from assignments, projects, assessments, participation and classroom etiquette. Students should check grades daily.

Attendance

It is your responsibility to check for missed work. The best time is before school. Check the weekly assignment board in class and also check Google Classroom and/or Schoology. Missing work can be made up during "Success" period in the morning.

BEHAVIOR

- 1st Time: Warning
- 2nd Time: Teacher Conference
- 3rd Time: Call or Email Home
- Referral to the office can happen at any time

Parents: Please complete the google form in Schoology. Sign the form and Submit. Thank you!
